

Here's the cover letter for Henriette Charlotte Beeslaar:

Dear Principal and Hiring Committee,

I am writing to express my strong interest in the Y2-4 Scale A Kaiako position at Kihikihi School. With 18 years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that empower every child to reach their full potential.

My professional background is specifically aligned with the holistic educational approach I understand Kihikihi School values. Holding a Bachelor of Education in Foundation Phase and current NZ Teaching Registration, I bring a comprehensive skill set in supporting diverse learning needs. My extensive experience working with students with special educational needs--including those with autism, Down syndrome, ADHD, and intellectual disabilities--has equipped me with nuanced strategies for curriculum adaptation and personalised learning.

My Makaton and Sign Language certifications further demonstrate my commitment to inclusive communication and ensuring every student can fully participate in their learning journey. I am particularly skilled in behaviour modification techniques and creating adaptive learning environments that support individual student strengths.

Kihikihi School's reputation for nurturing individual student potential resonates deeply with my own educational philosophy. I am excited about the opportunity to contribute my expertise in early childhood development and learning support to your dynamic educational community.

I am confident that my combination of professional qualifications, extensive special education experience, and genuine passion for inclusive teaching makes me an excellent candidate for this role. I look forward to discussing how my skills can contribute to your school's learning environment.

Warm regards,

Henriette Charlotte Beeslaar
