

Here's the cover letter:

Dear Hiring Manager,

I am writing to express my strong interest in the Qualified ECE kaiako position at Treasure Hunt Montessori Preschool. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that nurture every child's unique potential.

My background in Special Educational Needs, particularly supporting children with autism, Down syndrome, ADHD, and intellectual disabilities, aligns perfectly with Montessori's holistic approach to early childhood education. My Bachelor of Education in Foundation Phase, coupled with NZ Teaching Registration, demonstrates my commitment to professional excellence and current educational practices.

Throughout my career, I have developed specialised skills in curriculum adaptation, behavior modification, and individualised learning support. My Makaton and Sign Language certifications further enhance my ability to communicate effectively with diverse learners, ensuring no child is left behind. I pride myself on creating dynamic, engaging classroom environments that celebrate each child's strengths and support their developmental journey.

The child-centred philosophy of Montessori education resonates deeply with my teaching approach. I am excited by the opportunity to contribute my expertise to your preschool, where I can continue to make a meaningful difference in young learners' lives.

I would welcome the opportunity to discuss how my skills and experience could contribute to Treasure Hunt Montessori Preschool's mission of providing exceptional early childhood education.

Kind regards,
