

Tena koutou,

I am writing to express my strong interest in the Kaiako wharekura positions at TKKM o Wairarapa. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your exceptional educational community.

My professional journey has been deeply focused on inclusive education and supporting students with diverse learning needs. Throughout my career, I have developed specialized skills in working with students with autism, Down syndrome, ADHD, and intellectual disabilities. My comprehensive background, coupled with my New Zealand Teaching Registration and Bachelor of Education in Foundation Phase, positions me as an ideal candidate for this role.

My professional toolkit includes advanced capabilities in curriculum adaptation, behavior modification, and individualized learning support. My Makaton Certification and Sign Language qualifications (Modules 1 & 2) further demonstrate my commitment to creating accessible and supportive learning environments for all students.

Having worked extensively with diverse learner profiles, I understand the critical importance of tailored educational approaches that honor each student's unique strengths and potential. My multicultural background and bilingual abilities in English and Afrikaans enable me to communicate effectively and build meaningful connections with students, whanau, and colleagues.

TKKM o Wairarapa's commitment to holistic, culturally responsive education resonates deeply with my professional philosophy. I am passionate about creating inclusive classrooms where every learner can thrive and reach their full potential.

I would welcome the opportunity to discuss how my experience and skills align with your educational vision. Thank you for considering my application.

Warm regards,
