Dear Hiring Manager

I am writing to apply for the Literacy & Numeracy Teacher position at Marist Alternative Education Limited's Northern Health School Auckland Teacher - Auckland West Unit, as advertised on 26 November 2025 (Reference #: 1HAqjF).

With 18+ years of specialized experience in Foundation Phase and Special Education, I am confident in my ability to contribute meaningfully to your inclusive educational environment. My comprehensive background includes extensive work with students with diverse learning needs, particularly those with autism, Down syndrome, ADHD, and intellectual disabilities.

As a fully registered New Zealand teacher with a Bachelor of Education in Foundation Phase, I bring a robust skill set in curriculum adaptation, behavior modification, and learning support. My Makaton and Sign Language certifications further demonstrate my commitment to accessible, inclusive educational practices.

Currently based in South Africa, I am actively working with a licensed immigration advisor to ensure a smooth relocation to New Zealand within six weeks of confirmation. My international teaching experience, combined with my specialized qualifications, positions me uniquely to support your students' diverse learning requirements.

Your school's holistic approach to education, particularly in supporting students through alternative education pathways, deeply resonates with my professional philosophy. I am passionate about creating adaptive, supportive learning environments that empower students to reach their full potential.

I look forward to the opportunity to discuss how my skills and experience align with the goals of the Northern Health School Auckland Teacher program.
