

Dear Hiring Manager,

I am writing to express my strong interest in the Teacher Y1-3 position at Rere School. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your school's learning community.

My professional background is specifically aligned with your potential needs. As a registered New Zealand teacher with a Bachelor of Education (Foundation Phase), I bring extensive experience in supporting diverse learners, particularly students with special educational needs. My expertise spans working with children with autism, Down syndrome, ADHD, and intellectual disabilities, ensuring inclusive and adaptive learning environments.

My Makaton Certification and Sign Language qualifications have further equipped me to provide comprehensive, supportive teaching strategies. I excel in curriculum adaptation, behaviour modification, and creating personalised learning pathways that empower each student to reach their full potential. My approach prioritises individual strengths, compassionate support, and evidence-based educational interventions.

Throughout my career, I have consistently demonstrated a commitment to holistic student development. My background in early childhood development, combined with my specialised training in inclusive education, allows me to design engaging, differentiated learning experiences that meet each child's unique needs.

I am particularly drawn to Rere School's commitment to inclusive education and am eager to contribute my skills and passion to your learning community. My bilingual background in English and Afrikaans further enhances my ability to communicate effectively and support diverse student populations.

I would welcome the opportunity to discuss how my qualifications and experience align with Rere School's educational vision. Thank you for considering my application.

Warm regards,
