

Tena koe,

I am writing to express my strong interest in the O2 kaiako position at The Haven Early Learning - Belmont. With 18 years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that empower every child to reach their full potential.

My extensive background in special educational needs, particularly supporting students with autism, Down syndrome, ADHD, and intellectual disabilities, aligns perfectly with the holistic approach I understand The Haven Early Learning champions. My Bachelor of Education (Foundation Phase) and current New Zealand Teaching Registration provide a solid professional foundation, while my additional certifications in Makaton and Sign Language Module 1 & 2 demonstrate my commitment to diverse communication strategies.

Throughout my career, I have developed expertise in curriculum adaptation, behaviour modification, and creating personalised learning experiences. My approach focuses on understanding each child's unique strengths and challenges, designing interventions that support their individual learning journey. My experience spans working with learners across various developmental spectrums, always prioritising dignity, respect, and meaningful educational engagement.

The opportunity to contribute to The Haven Early Learning's mission of nurturing young minds is incredibly exciting. I am particularly drawn to your commitment to inclusive education and believe my skills would be a valuable addition to your dedicated team.

I would welcome the opportunity to discuss how my experience and passion for early childhood education could support your school's goals. Thank you for considering my application.

Warm regards,

Henriette Charlotte Beeslaar
