

Dear Principal and Hiring Committee,

I am writing to express my strong interest in the two Kaiako positions within the Rumaki syndicate at Nawton School. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your dynamic educational environment.

My professional background is deeply rooted in inclusive education, with specialized skills in supporting students with diverse learning needs. Throughout my career, I have successfully worked with students with autism, Down syndrome, ADHD, and intellectual disabilities, developing individualized learning strategies that empower each child to reach their full potential. My Makaton and Sign Language certifications have been instrumental in creating communicative and supportive learning spaces for students with complex communication needs.

As a fully registered New Zealand teacher with a Bachelor of Education in Foundation Phase, I am well-versed in adapting curriculum to meet individual student requirements. My approach combines comprehensive understanding of early childhood development with innovative behavior modification techniques, ensuring that every student receives tailored, compassionate educational support.

Nawton School's commitment to inclusive and responsive education strongly resonates with my professional philosophy. I am particularly impressed by your school's dedication to creating supportive learning environments that celebrate diversity and individual strengths.

My multicultural background and bilingual capabilities (English and Afrikaans) further enhance my ability to connect with diverse student populations and create an inclusive classroom atmosphere.

I am enthusiastic about the potential to bring my extensive experience and passionate approach to the Rumaki syndicate at Nawton School. I would welcome the opportunity to discuss how my skills align with your educational goals.

Kind regards,

Henriette Charlotte Beeslaar
