Dear Hiring Manager,

I am writing to express my strong interest in the Teacher (Y1-8) science and technology position at KingsWay School. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your innovative educational community.

My extensive background in inclusive education, particularly working with students with diverse learning needs such as Autism, Down Syndrome, ADHD, and intellectual disabilities, has equipped me with unique skills in curriculum adaptation and individualized learning support. As a professionally registered New Zealand teacher with a Bachelor of Education in Foundation Phase, I am committed to creating dynamic, engaging learning environments that support every student's potential.

My specialized training in Makaton and Sign Language, combined with my experience in behavior modification and early childhood development, allows me to develop comprehensive and adaptive teaching strategies. I excel at designing inclusive science and technology curricula that are both challenging and accessible, ensuring that all students can participate and thrive.

KingsWay School's reputation for educational excellence resonates deeply with my professional philosophy. I am particularly drawn to your commitment to holistic student development and innovative teaching approaches. My multilingual background and extensive special education experience would enable me to bring a nuanced, supportive perspective to your science and technology program.

I am eager to discuss how my skills and experience align with KingsWay School's educational vision. Thank you for considering my application.

Kind regards,

Henriette Charlotte Beeslaar
