As a registered New Zealand teacher with a Bachelor of Education in Foundation Phase, I bring not only academic qualifications but also practical expertise in inclusive education practices. My additional certifications in Makaton and Sign Language (Modules 1 & 2) further demonstrate my commitment to effective communication and accessibility for all learners.

My core strengths include:

- Implementing behaviour modification strategies
- Creating adaptive learning environments
- Supporting holistic student development
- Collaborating effectively with multi-disciplinary teams

I am genuinely excited about the opportunity to contribute my skills and experience to Oaklynn Special School's mission of empowering students with complex needs. My multicultural background and multilingual capabilities (English and Afrikaans) further enhance my ability to connect with diverse student populations.

I look forward to discussing how my expertise aligns with Te Piringa's educational approach and would welcome the opportunity to further discuss my potential contribution.

Kind regards,
