My professional background is deeply rooted in inclusive education, with extensive expertise in supporting students with diverse learning needs, including those with autism, Down syndrome, ADHD, and intellectual disabilities. My NZ Teaching Registration and Bachelor of Education in Foundation Phase, complemented by my Makaton and Sign Language certifications, demonstrate my comprehensive approach to educational support and communication.

Throughout my career, I have developed robust skills in curriculum adaptation, learning support, and behaviour modification. My approach focuses on creating inclusive, supportive classroom environments where every child can thrive, regardless of their individual learning challenges. I am passionate about developing personalized learning strategies that empower students to reach their full potential.
