Dear Hiring Manager

I am writing to express my strong interest in the Primary Teacher position (Reference #1HAqoJ) at Mangakahia Area School, as advertised. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute to your school's inclusive learning environment.

My professional background is deeply rooted in supporting diverse learners, particularly students with special educational needs. Throughout my career, I have specialized in working with students with autism, Down syndrome, ADHD, and intellectual disabilities, developing comprehensive, adaptive teaching strategies that ensure every child can access and engage with the curriculum.

As a fully registered teacher with a Bachelor of Education in Foundation Phase and NZ Teaching Registration, I bring not only extensive experience but also specialized certifications in Makaton and Sign Language. My approach to education centers on creating inclusive, supportive classroom environments where each student can thrive and reach their full potential.

I am currently based in South Africa and am actively working with a licensed immigration advisor to ensure a smooth transition to New Zealand. I am available to relocate within six weeks of a confirmed position and am fully committed to bringing my expertise to Mangakahia Area School.

My comprehensive skill set, including curriculum adaptation, behavior modification, and deep understanding of early childhood development, aligns perfectly with the holistic educational approach your school represents. I am particularly drawn to the opportunity to teach across multiple subjects and contribute to a rich, supportive learning community.

I look forward to discussing how my experience and passion for inclusive education can benefit your school.

Kind regards,
