

Tena koe,

I am writing to express my strong interest in the Classroom Teacher position at Durie Hill School. With 18 years of dedicated experience in Foundation Phase and Special Education, I am confident that my expertise and passion for inclusive education align perfectly with your school's commitment to supporting diverse learners.

My professional background is deeply rooted in creating supportive, adaptive learning environments for students with diverse needs. Throughout my career, I have developed comprehensive strategies for supporting students with autism, Down syndrome, ADHD, and intellectual disabilities, ensuring that each child receives personalized, compassionate educational support. My Makaton Certification and Sign Language qualifications further demonstrate my commitment to inclusive communication and accessibility.

Holding a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, I bring both academic credentials and practical, hands-on teaching experience to the classroom. My approach focuses on curriculum adaptation, individualized learning plans, and positive behavior modification techniques that empower students to reach their full potential.

Durie Hill School's reputation for nurturing inclusive and supportive learning environments resonates deeply with my professional philosophy. I am particularly excited about the opportunity to contribute my skills in creating dynamic, engaging classroom experiences that celebrate each student's unique strengths and learning styles.

My multicultural background and bilingual capabilities (English and Afrikaans) enable me to connect with diverse student populations and create welcoming, respectful classroom dynamics.

I would welcome the opportunity to discuss how my experience and passion could contribute to your school community. Thank you for considering my application.

Warm regards,
