

Dear Principal and Hiring Committee,

I am writing to apply for the Y5-8 class teacher position at Paeroa Central School, and I am excited about the opportunity to bring my extensive educational expertise to your school community.

With 18+ years of experience in Foundation Phase and Special Education, I offer a robust background in inclusive teaching practices and curriculum adaptation. My Bachelor of Education in Foundation Phase, coupled with current NZ Teaching Registration, positions me as a highly qualified candidate who understands the nuanced needs of diverse learners.

My professional experience is particularly distinguished by specialized work with students with special educational needs, including those with autism, Down syndrome, ADHD, and intellectual disabilities. Through my Makaton and Sign Language certifications, I have developed comprehensive communication strategies that support inclusive learning environments. I am passionate about creating adaptive learning experiences that empower every student to reach their full potential.

My approach to teaching emphasizes individualized learning, behavior modification, and curriculum flexibility. I excel at designing engaging, supportive classroom environments where students feel valued, understood, and motivated to learn. My multilingual background in English and Afrikaans further enhances my ability to communicate effectively and sensitively with students and colleagues.

Paeroa Central School's commitment to inclusive education aligns perfectly with my professional philosophy and extensive skill set. I am particularly enthusiastic about contributing to a learning environment that celebrates diversity and supports every student's unique learning journey.

I would welcome the opportunity to discuss how my background and skills could contribute to your school's educational mission. Thank you for considering my application.
