

Tena koe,

I am writing to express my strong interest in the Kaiako position within the Maori bilingual unit at Haeata Community Campus. With 18+ years of extensive experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that empower diverse learners.

My professional background is deeply aligned with the inclusive educational philosophies that I understand are central to your institution. Throughout my career, I have specialized in supporting students with diverse learning needs, including those with autism, Down syndrome, ADHD, and intellectual disabilities. My approach is rooted in individualized, compassionate teaching strategies that recognize each student's unique potential.

My qualifications directly support my commitment to exceptional educational practice. As a fully registered teacher with a Bachelor of Education in Foundation Phase, combined with my Makaton and Sign Language certifications, I am well-equipped to provide adaptive, responsive teaching. My experience in curriculum adaptation and behavior modification has consistently enabled students to achieve meaningful educational outcomes.

I am particularly excited about the opportunity to contribute to a Maori bilingual unit, which represents a powerful approach to culturally responsive education. My multilingual background and extensive experience in special educational needs position me to support diverse learning styles and cultural contexts.

My professional philosophy centers on creating safe, engaging learning environments where every student can thrive. I bring not just technical expertise, but a genuine commitment to nurturing each learner's individual strengths and potential.

I would welcome the opportunity to discuss how my skills and experience align with Haeata Community Campus's educational vision.

Kind regards,

Henriette Charlotte Beeslaar
