Re: Application for Head Kaiako Position - Reference #1HAqoJ

Dear Hiring Committee,

With 18 years of dedicated experience in Foundation Phase and Special Education, I am excited to apply for the Head Kaiako position at Blue School. My comprehensive background in inclusive education and extensive experience supporting students with diverse learning needs aligns perfectly with your school's holistic educational approach.

As a professionally registered teacher with a Bachelor of Education in Foundation Phase, I bring specialized expertise in supporting students with autism, Down syndrome, ADHD, and intellectual disabilities. My Makaton Certification and Sign Language qualifications underscore my commitment to inclusive, adaptive teaching strategies that ensure every student can access and engage with the curriculum.

My professional journey has been characterized by developing personalized learning approaches that celebrate each student's unique potential. I have consistently demonstrated skill in curriculum adaptation, behavior modification, and creating supportive learning environments that foster both academic and personal growth.

Currently based in South Africa, I am actively working with a licensed immigration advisor to ensure a smooth transition to New Zealand. I am fully prepared to relocate within six weeks of job confirmation and am enthusiastic about contributing to Blue School's educational community.

My multilingual capabilities in English and Afrikaans, combined with my extensive special education background, position me as an ideal candidate for this transformative role. I am deeply committed to creating inclusive, engaging, and supportive learning experiences that empower students to reach their full potential.

I look forward to discussing how my skills and experience can contribute to Blue School's educational mission.

Kind regards,

Henriette Charlotte Beeslaar
