Dear Principal and Hiring Committee,

I am writing to express my enthusiastic interest in the Y7 and 8 teaching position at Kaikohe Christian School. With 18 years of dedicated experience in Foundation Phase and Special Education, I am confident in my ability to contribute meaningfully to your school's educational community.

My professional journey has been deeply committed to inclusive education, particularly supporting students with diverse learning needs. Throughout my career, I have developed extensive expertise in working with students with autism, Down syndrome, ADHD, and intellectual disabilities. My approach emphasizes individualized curriculum adaptation and compassionate, strengths-based learning strategies.

Holding a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, I bring both academic qualifications and practical experience to this role. My Makaton and Sign Language certifications further demonstrate my commitment to diverse communication approaches and inclusive learning environments.

What particularly attracts me to Kaikohe Christian School is your apparent commitment to holistic, compassionate education. I am eager to bring my skills in curriculum differentiation, behavior modification, and student-centered learning to support your students' academic and personal growth.

My multicultural background and bilingual abilities (English and Afrikaans) have equipped me to create welcoming, supportive classroom environments where every student can thrive. I am passionate about fostering an inclusive, engaging learning space that celebrates individual potential.

I would welcome the opportunity to discuss how my skills and experience align with your school's educational vision. Thank you for considering my application.

Kind regards,

Henriette Charlotte Beeslaar
