

Tena koe,

I am writing to express my strong interest in the Y0-2 classroom teaching position at Harewood School. With 18 years of dedicated experience in Foundation Phase and Special Education, I am confident my expertise aligns perfectly with your school's commitment to inclusive, supportive learning environments.

My background in teaching students with diverse learning needs, including those with autism, Down syndrome, ADHD, and intellectual disabilities, has equipped me with comprehensive skills in curriculum adaptation and individualised learning strategies. My New Zealand Teaching Registration and Bachelor of Education in Foundation Phase, combined with specialised certifications in Makaton and Sign Language, demonstrate my commitment to meeting the unique requirements of every learner.

Throughout my career, I have developed a holistic approach to education that prioritises student engagement, emotional well-being, and academic progress. My experience in behaviour modification and early childhood development allows me to create nurturing classroom environments where all students can thrive and reach their full potential.

Harewood School's reputation for educational excellence and inclusive practice resonates deeply with my professional philosophy. I am particularly excited about the opportunity to contribute my skills to your Y0-2 classroom, bringing a compassionate, evidence-based approach to early childhood education.

I would welcome the opportunity to discuss how my background and passion for teaching could contribute to your school community. Thank you for considering my application.

Kind regards,

Henriette Charlotte Beeslaar
