

Dear Hiring Manager,

I am writing to express my strong interest in the Scale A teaching position at St Joseph's School in Stratford. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your school community.

My background in inclusive education, particularly supporting students with special educational needs, aligns perfectly with the holistic approach required in modern classroom settings. Throughout my career, I have developed comprehensive strategies for working with students with diverse learning profiles, including those with autism, Down syndrome, ADHD, and intellectual disabilities. My Makaton Certification and Sign Language qualifications have been instrumental in creating inclusive, communication-friendly learning environments.

As a registered New Zealand teacher with a Bachelor of Education in Foundation Phase, I bring not only extensive international experience but also a commitment to curriculum adaptation and personalized learning approaches. My skills in behaviour modification and early childhood development have consistently enabled me to support students in reaching their full potential, regardless of their individual learning challenges.

St Joseph's School's reputation for nurturing individual student growth resonates deeply with my professional philosophy. I am passionate about creating supportive, engaging learning spaces where every child feels valued and capable of achieving academic and personal success.

My multilingual background in English and Afrikaans, combined with my specialized training, allows me to bring a unique perspective to educational support and inclusive teaching practices.

I would welcome the opportunity to discuss how my experience and skills can contribute to your school's educational mission. Thank you for considering my application.

Warm regards,

Henriette Charlotte Beeslaar
