

Tena koutou,

I am writing to express my strong interest in the Kaiako positions at Whare Kura Morehu o Ratana. With 18 years of dedicated experience in Foundation Phase and Special Education, I am passionate about creating inclusive, supportive learning environments that empower every tamariki to reach their full potential.

My professional background is specifically aligned with the unique needs of diverse learners. As a registered teacher with extensive experience supporting students with autism, Down syndrome, ADHD, and intellectual disabilities, I bring a deep understanding of differentiated instruction and adaptive learning strategies. My Makaton and Sign Language certifications further demonstrate my commitment to inclusive communication and ensuring every child can access education.

Throughout my career, I have developed robust skills in curriculum adaptation, behavior modification, and personalised learning approaches. My Bachelor of Education in Foundation Phase, combined with my NZ Teaching Registration, provides a strong pedagogical foundation for supporting students with complex learning needs.

I am particularly drawn to Whare Kura Morehu o Ratana's commitment to holistic, culturally responsive education. My multicultural background and experience working with diverse learners align perfectly with your school's values of inclusion and individual empowerment.

My approach centers on creating nurturing, strengths-based learning environments where each tamaiti feels valued, understood, and capable of success. I am excited about the opportunity to contribute my expertise and passion to your educational community.

I look forward to discussing how my skills and experience can support your team and students.

Warm regards,

Henriette Charlotte Beeslaar
