

Dear Hiring Manager,

I am writing to express my strong interest in the Registered ECE kaiako matua position at Irongate Kindergarten. With 18+ years of extensive experience in Foundation Phase and Special Education, I am confident that my expertise and passion for inclusive, supportive learning environments align perfectly with your school's educational philosophy.

My professional background is specifically focused on supporting children with diverse learning needs, including students with autism, Down syndrome, ADHD, and intellectual disabilities. Throughout my career, I have developed a comprehensive approach to curriculum adaptation and individualized learning strategies that ensure every child can meaningfully engage and progress in their educational journey.

Holding a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, I bring both academic qualifications and practical experience to the role. My additional certifications in Makaton and Sign Language (Modules 1 & 2) further demonstrate my commitment to inclusive communication and supporting children with varied learning and communication requirements.

My teaching philosophy centers on creating nurturing, adaptive learning environments where each child is valued, supported, and empowered to reach their full potential. I am particularly skilled in behavior modification techniques, early childhood development strategies, and designing personalized learning support interventions.

Irongate Kindergarten's reputation for excellence and commitment to holistic child development strongly resonates with my professional values. I am excited about the opportunity to contribute my expertise and passion to your dedicated team.

I look forward to discussing how my skills and experience can support your educational goals.

Kind regards,

Henriette Charlotte Beeslaar
