Dear Hiring Manager

I am writing to express my strong interest in the Classroom Teacher position (Reference #1HAqoi) at Rawene School, seeking to bring my 18+ years of specialized experience in Foundation Phase and Special Education to your dynamic learning environment.

With a Bachelor of Education (Foundation Phase) and current New Zealand Teaching Registration, I offer a comprehensive background in inclusive education, particularly supporting students with diverse learning needs. My extensive experience working with children with autism, Down syndrome, ADHD, and intellectual disabilities has equipped me with specialized skills in curriculum adaptation, behavior modification, and individualized learning strategies.

My professional journey has been deeply committed to creating supportive, engaging classroom environments where every student can thrive. My Makaton and Sign Language certifications further demonstrate my dedication to inclusive communication and ensuring all students have access to quality education.

I am currently based in South Africa and am actively working with a licensed immigration advisor to facilitate a smooth relocation to New Zealand within six weeks of potential employment. My international teaching background, combined with my specialized qualifications, positions me as an ideal candidate for your Year 2-4 classroom.

Rawene School's commitment to holistic education and diverse learning approaches resonates strongly with my professional philosophy. I am particularly excited about the opportunity to contribute to your school's learning community and support students' academic and personal growth.

I look forward to discussing how my skills and experience align with Rawene School's educational objectives.

Kind regards,
