Dear Hiring Manager,

I am writing to express my enthusiastic interest in the Y0-1 and Y2-3 teaching positions at Sutton Park School. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am confident my expertise aligns perfectly with your school's teaching requirements.

My professional background encompasses extensive work with diverse learners, particularly students with special educational needs. Having supported children with autism, Down syndrome, ADHD, and intellectual disabilities, I bring a deeply compassionate and specialized approach to inclusive education. My NZ Teaching Registration and Bachelor of Education (Foundation Phase) qualification underscore my commitment to delivering high-quality, adaptive learning experiences.

My Makaton and Sign Language certifications further demonstrate my ability to communicate effectively with students who have varied communication needs. Throughout my career, I have consistently developed innovative curriculum adaptations that enable every child to engage meaningfully with learning, regardless of their individual challenges.

Sutton Park School's commitment to supporting student growth, particularly during this period of school roll expansion, resonates strongly with my professional philosophy. I am particularly excited about the opportunity to contribute my specialized skills to your dynamic educational environment.

My multilingual background and extensive experience in behavior modification and early childhood development would be valuable assets to your teaching team. I am passionate about creating inclusive, supportive, and stimulating learning spaces where every child can thrive.

I look forward to the opportunity to discuss how my experience and skills can contribute to Sutton Park School's educational mission.
