I am writing to express my strong interest in the Learning Support Co-ordinator position at Our Lady of the Assumption School. With 18+ years of dedicated experience in Foundation Phase and Special Education, I am excited about the opportunity to contribute my expertise to your inclusive educational environment.

My professional background is deeply aligned with the requirements of this role. As a fully registered New Zealand teacher with a Bachelor of Education in Foundation Phase and specialized certifications in Makaton and Sign Language, I bring a comprehensive skill set in supporting students with diverse learning needs. My extensive experience working with students with autism, Down syndrome, ADHD, and intellectual disabilities has equipped me with advanced strategies in curriculum adaptation, behavior modification, and personalized learning support.

Throughout my career, I have developed a holistic approach to inclusive education that focuses on individual student strengths, creating supportive learning environments that enable every child to thrive. My expertise in designing specialized educational programs and implementing targeted interventions has consistently resulted in significant student progress and enhanced classroom engagement.

My Makaton and Sign Language qualifications further demonstrate my commitment to communication accessibility and inclusive teaching practices. I am passionate about creating learning spaces where every student feels valued, understood, and empowered to reach their full potential.

I am particularly drawn to Our Lady of the Assumption School's commitment to supportive and individualized education. My multicultural background and bilingual skills (English and Afrikaans) enable me to communicate effectively and build positive relationships with students, families, and colleagues.

I look forward to discussing how my skills and experience can contribute to your school's learning support program.
