Dear Principal and Hiring Committee,

I am writing to express my strong interest in the Classroom Release Teacher position at Tikitiki School. With 18 years of dedicated experience in Foundation Phase and Special Education, I am confident in my ability to provide exceptional educational support and contribute meaningfully to your school's learning environment.

My professional background is deeply rooted in inclusive education, with extensive expertise in supporting students with diverse learning needs. Throughout my career, I have successfully developed and implemented tailored learning strategies for students with autism, Down syndrome, ADHD, and intellectual disabilities. My Makaton Certification and Sign Language qualifications further demonstrate my commitment to creating accessible and supportive learning experiences for all students.

Holding a Bachelor of Education in Foundation Phase and current New Zealand Teaching Registration, I bring a comprehensive understanding of curriculum adaptation and student-centred teaching approaches. My experience spans developing individualized education plans, implementing behaviour modification techniques, and creating inclusive classroom environments that celebrate each student's unique potential.

I am particularly passionate about classroom release teaching, which allows me to support multiple classrooms and provide targeted learning interventions. My multilingual background and adaptive teaching skills enable me to connect with students from various backgrounds and learning profiles.
